**"JUSTICE IS WHAT LOVE
LOOKS LIKE IN PUBLIC."**

V&M and partners welcome scholar, activist, leader, and friend Dr. Cornel West. Dr. West will offer a reflection during Sunday morning Celebration as part of our "Set Us Free From Fear" speaker series, wherein activists, clergy, intellectuals and organizers working at the intersection of race and faith are invited to share their wisdom with our communities.

From Valley and Mountain Fellowship welcomes Dr. Cornel West, Dietrich Bonhoeffer Chair at Union Theological Seminary and is considered one of the greatest public intellectuals our time. This is a joint service with Innovation Vitality Team of the Greater Northwest Area of The United Methodist Church and Kingdom Family Worship Center International-an open and affirming Black Pentecostal congregation.

Dr. West 's visit is part of the 'Set Us Free from Fear' series. To combat the ever- growing white Christian Nationalist movement, Valley and Mountain Fellowship's Center for Faith, Art, and Justice has partnered with the Innovation Vitality Team of the Pacific Northwest Conference of the United Methodist Church.
